Total No. of Questions : 13

Total No. of Pages : 02

B.Pharmacy (Sem–1)

PHARMACEUTICAL INORGANIC CHEMISTRY

Subject Code : BP-104T

M.Code : 74647

Date of Examination : 06-06-2023

Time : 3 Hrs.

Max. Marks : 75

INSTRUCTIONS TO CANDIDATES :

1. **SECTION-A is COMPULSORY consisting of TEN questions carrying TWO marks each.**
2. **SECTION-B contains THREE questions carrying TEN marks each and students have to attempt any TWO questions.**
3. **SECTION-C contains NINE questions carrying FIVE marks each and students have to attempt any SEVEN questions.**

SECTION-A

1. **Explain in brief :**

   a) Define emetics with examples.

   b) Define acidifiers with examples.

   c) What are the methods of adjusting tonicity?

   d) What is ionic product of water?

   e) What is bentonite?

   f) What is mechanism of antimicrobial agents?

   g) What are the units of radioactivity?

   h) What is lugol solution?

   i) Name two anticaries agents.

   j) Give assay of sodium bicarbonate.

SECTION-B

2. Write a detailed note on sources and types of impurities in pharmaceutical substances.

3. Enlist major intra and extra cellular electrolytes? Describe the electrolytes used in replacement therapy.

4. Define and classify denitrifies according to their action. Discuss the method of preparation, assay of any two official preparations.

SECTION-C

5. Comment on "*Sodium potassium Tartarate as an Emetic*".

6. Define astringents and classify them according to their action with suitable examples.

7. Discuss any two antidotes used for cyanide poisoning.

8. What do you understand by '*Limit Test*'. Discuss its importance. Describe the principle and method involved in the limit test for lead.

9. Explain the cathartic action of magnesium sulphate.

10. Write down a brief note on history of pharmacopoeia.

11. What are Heamatinics? Discuss pharmacopoeial assay of ferrous sulphate.

12. Define antacids. Discuss the properties and assay of sodium bicarbonate.

13. Differentiate the properties of alpha, beta and gamma radiations.

NOTE : Disclosure of Identity by writing Mobile No. or Making of passing request on any page of Answer Sheet will lead to UMC against the Student.
